

Modular Origami Canada Goose

Design by Steve Bondy
<http://stevespaper.com>

You will need 3 different sizes of triangles, made from 3 sizes of rectangles. These are approximately the sizes that I used, giving a finished goose about 18 cm long with a wingspan of about 17 cm

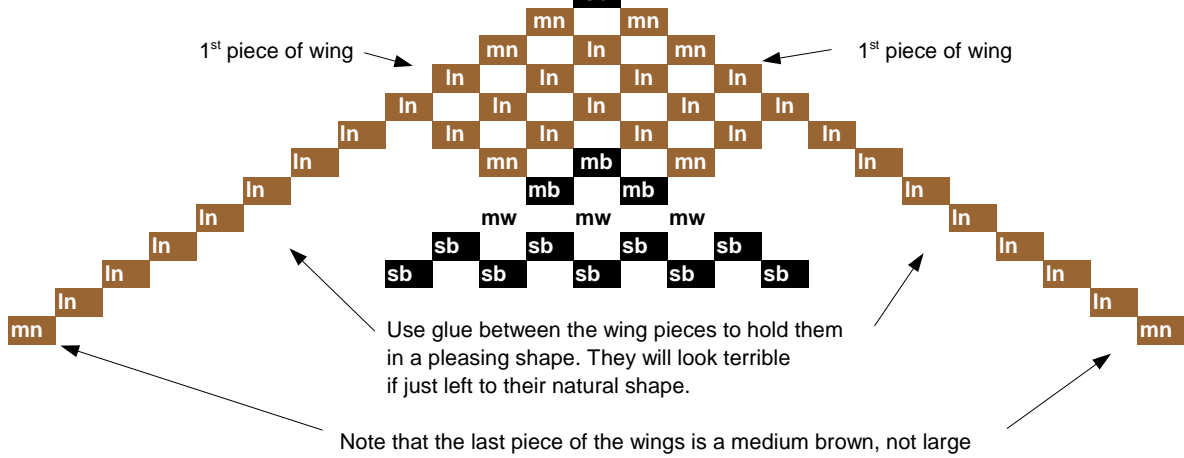

- small 3.5 x 5.5 cm (1-3/8" x 2-1/8")
- medium 4.5 x 7 cm (1-7/8" x 2-7/8")
- large 5.5 x 7 cm (2-1/8" x 2-7/8")

Pattern

These two pieces are reversed
 See diagram below

| Legend | # Required |
|-------------------|------------|
| sb = small black | 21 |
| sw = small white | 1 |
| mb = medium black | 3 |
| mn = medium brown | 7 |
| mw = medium white | 3 |
| ln = large brown | 29 |

Finishing the head
